SELECTION PROCEDURE

Online Test, Interview: Round 1 - Technical Interview, Round 2 - Technical + project based interview, Round 3 - HR interview

INTERN EXPERIENCE TALK

BRACH :- Electrical and Electronics Engineering

INTERNSHIP SEASON :- Internship + Pre-Placement Offer(PPO)

DESCRIPTION OF ROLE :- SDE

INTERN LOCATION :-

SKILLS LEARNED :-
   Be thorough with the basics. Learning with people together saves a lot of time and clears many doubts. Be confident in the interview; express whatever you are thinking to the interviewer. Many companies consider your approach even if you don't solve the problem. Get to know something about the company before going to the interview.

DESCRIPTION OF ONLINE TEST :-

3 DSA questions and 20-35 MCQs were asked DSA questions were from topics like arrays, linked lists, strings, maps, sets, basic graphs, and tree questions. MCQs were mostly based on logical reasoning, English grammar, and apptitude. Profit and loss problems, percentages were asked.

DESCRIPTION OF INTERVIEW :-

Round 1: Technical Interview, 1 hour Asked many DSA questions. The interview started with basic questions, and almost all topics were covered. Questions on trees and graphs were also asked.

Round 2: Technical + Project (Resume)-Based Interview (45 min) Two interviewers were there. Initially, questions were based on DBMS and OOPS. Later, they asked about my projects. They asked me to explain the motive for doing those projects and how I did them. Many cross questions were asked. Then, they asked some puzzels as well.
Round 3: HR interview (10 min) Typical HR questions (like, What are your strengths and weaknesses? What is the best moment and worst mistake of your life? How did you overcome your mistakes? If your friends and teachers were asked to describe you in one word, what would they say?) were asked HR manager asked my background and my willingness to change location, etc.
